

HCHS High School Concert Information

June 2009

Dear Parents,

The music department is excited to present the High School Concert on Wednesday, June 10, 2009.

Here are some key points related to the concert:

- The concert starts at 7 p.m. and will last for about 3 hours. The dress rehearsal is scheduled for the afternoon of the same day at a time to be designated by each director. Attendance at the dress rehearsal is a mandatory prerequisite for concert participation. Students should arrive at least 10 minutes prior to their scheduled rehearsal.
- Food will not be provided. However, students will have time before the concert to get food from outside or to eat food brought from home.
- All performers must stay until the end of the concert to assist with stage clean-up etc.
- Performers must either be seated in the auditorium or in their ensembles' designated warm-up room when not performing. Students are not allowed to roam the hallways.
- All students should wear black concert dress and dress shoes. No sneakers!

We look forward to seeing you at what will surely be a wonderful concert.

Sincerely,

Ms. Julie Reifer
