

# HCHS Middle School Concert Information

---

June 2009

Dear Parents,

The music department is excited to present the Middle School Concert on Tuesday, June 9, 2009.

Here are some key points related to the concert:

- The concert starts at 6 p.m. and will last for about an hour. The dress rehearsal is scheduled for the afternoon of the same day at a time to be designated by each director. Attendance at the dress rehearsal is a mandatory prerequisite for concert participation. Students should arrive at least 10 minutes prior to their scheduled rehearsal.
- Food will not be provided. However, students will have time before the concert to get food from outside or to eat food brought from home.
- All performers must stay until the end of the concert to assist with stage clean-up etc.
- Performers must either be seated in the auditorium or in their ensembles' designated warm-up room when not performing. Students are not allowed to roam the hallways.
- All students should wear black concert dress and dress shoes. No sneakers!

We look forward to seeing you at what will surely be a wonderful concert.

Sincerely,

Ms. Julie Reifer
