Hunter College High School does not rank students or provide a cumulative GPA. HCHS does not operate on a block schedule and does not limit the number of AP courses a student can take. All seniors must take at least five, but no more than six electives. Almost one hundred percent of graduating students matriculate into four-year institutions. HCHS limits applications to eight private college and universities. Please refer to the School Profile for specific grading information and a distribution of junior year grades for the Class of 2008.
